To Prestige Builders
Laguna Beach, CA 92651

From Mr. & Mrs. Philip J. Carroll, Jr.

Prestige Builders built our magnificent custom contemporary home in Laguna Beach.

I cannot praise highly enough their professionalism, quality work and attention to detail. They hired the very best subcontractors and were very thorough in their supervision on the job and implementation of the project. More importantly, they were extremely attentive to the follow-up upon completion and always responded quickly to any concerns we had.

We would definitely select Prestige Builders to build another home for us.

Sincerely,
Phil and Charlene Carroll
